# Attention Web Pay Users

You may have noticed a change to our WebPay site. It is still the same system that you have always used, it has simply been upgraded. When logging into WebPay, use your current user name & password. **You do NOT need to Enroll again. The enrollment is for NEW users only.**

When enrolling as a new user, please make sure that you are entering the correct account number. **You can find your account number listed on the bottom of your checks. The account number will end with either a 70 or 71 depending on if you have a consumer account or a business account.** Incorrect account numbers will cause your transaction to reject back to the credit union, so if you are unsure of your account number, please contact our office.

*If you are having trouble on the site, feel free to click on the CHAT & you will be able to communicate with someone immediately.*
